Dear Mr Petrucci;

I would like to use this opportunity to introduce myself, my name is Mark James.

I am a federal employee retirement benefits specialist. I am working with federal employees in your area. Below is an EXAMPLE of the correspondence that I will be sending out to all the federal employees in your area. While I do market some financial and insurance products, the main purpose of my work is to educate the vast number of federal employees who have no idea what their retirement benefits will cover for them.

I would also like to request under the Freedom Of Information Act, for an excel spreadsheet sent to me of your employees e-mail contact information so that I can relay this valuable information to them.

Thank you for your help with this.

Sincerely,  
Mark James
